## **MESSAGE FROM BRANDON**

Welcome to our first issue of *Whoa Bundy!*, an email magazine. We'll share our dreams, thoughts, and inspirations with you as well as helpful tips on how to use products available at Mercy. **Please share your thoughts and ideas with us by going here and leaving a comment or two.**

My name is Brandon Levine and I own Mercy Wellness. For those of you who don't know me, I want to let you know where I started. Who would have guessed I would someday own a dispensary from having to sell cannabis for lunch money? Having lived in Sonoma County my whole life I can say we produce the best cannabis. I've been passionate about it for as long as I can remember and knew early on it was my calling. I'm thankful that so many people support the use of cannabis. It's a wonderful feeling to provide thousands of people safe access to clean cannabis that will help them through their day. Thanks for being a part of our local cannabis community at Mercy. I hope I see you around.

## FEATURED EMPLOYEE: Zack- Chief Love Officer

***What is your favorite product?*** Of the products that have passed through here over the years, some sticking and most going, my favorite product has withstood the test of time. Plus' Indica dominant Blackberry Lemon Gummies, an edible, is my favorite. Edibles are my favorite, especially with the evolution of product design, you get just the right level of medicated dose for any occasion. Plus' delicious, 5mg per flavor packed pieces, do a great job of hiding the flavor of the oil they are made with and the 100mg pack offers a variety of effect levels.

***What are you Grateful for?*** I am grateful for my family, and, my beautiful, intelligent, compassionate partner for life, Amanda. I am grateful for Brandon giving me shelter from the chaos of life and bringing me aboard the Mercy

Wellness family a little over seven years ago. Mercy was the first place that encouraged me to be myself and gave me a sense of purpose that was bigger than just what I could do, I was appreciated for who I am. I am forever thankful to get the opportunity to be a part of Mercy, through all of the growing, shifting and moving, I get to share the Gratitude, Giving, Compassion, Kindness and Love with the incredible family we have working together. I am Grateful for you, BEING HERE, RIGHT NOW! #MercyLove
